One of the Most Captivating Books I've ever Read!

As a former Baptist seminarian graduating from a Bible college, who was raised in an Anti-Catholic home, my journey home to the Catholic Church was primarily fueled by a desire to understand the true meaning of the Book of Revelation. After many years of rigorous study of the Bible and Theology, and after reading many books, I've found the Message of the Two Hearts of Jesus and Mary discussed in Dr. Bowring's book to be THE KEY. I was very glad to find this book... it is concise, informative, inspiring and scripturally sound. I'm just sorry that it took me so long to find such a book. I really can't recommend it enough. This book will change your life!

BOOK OF THE YEAR!

I recommend you get this book and read it. I would even go so far as to say **I implore you to read it**. We recommend this book as our BOOK OF THE YEAR.

Dr. Bowring successfully weaves together, like a tapestry, the prophetic words of Holy Scripture, past pontiffs, saints, mystics, messages of many of the Church approved apparition sites, and many of God's chosen messengers in Church history. The book highlights this special time of grace and mercy, but addresses the time of God's justice. I personally find the book to be a book of hope, and like the parable of the ten wise virgins, this book is a reminder to keep our lamps filled with oil, be awake, and always ready.

Highly Recommended! A Must Read!

After the "Warning", this book, filled with prophecies about the near future, **will probably sell like "hot cakes"**, to use an old expression. I recommend you **buy it now!** This way you will know what's in store for us and also can help others to cope with the events to come!

May This Book Reach As Many People As Possible!

His Eminence Ricardo J. Cardinal Vidal, Archbishop of Cebu, Philippines, has granted the Church's Imprimatur to this book. As an expert on Marian teaching and prophecy in the Catholic Church, Cardinal Vidal was uniquely qualified to have reviewed and approved this book. Cardinal Vidal's secretary, Rev. Fr. Mhar Vincent Balili, expressed his hope for the success of this new book, stating, "May this book reach as many people as possible, that they may deepen their devotion to the Two Hearts of Jesus and Mary."

A Book That You Will Read More Than Once - You have my word!

A few months ago I came across a book that **I COULD NOT put down**. It kept my interest from beginning to end and is a **pure delight** whether you have a devotion to the Mother of God or not... **Do yourself a favor and get this book**. I promise **you will not be disappointed**.

Excellent Book!

The contents of this excellent book have been **published in such an appropriate manner** by Dr. Bowring. All persons of goodwill should be very grateful for his making these things better known and understood at this very crucial moment in human history.

A Real Page-Turner!

A book so much **needed to be read by every Catholic**.

This book is written with honesty, clarity and truth in every exciting page.

It is about joy, about joy now, not just in Heaven. And this book is **about victory** for you and me now! It will motivate you to great holiness; **it will inspire you** with desire and action in your very heart and soul! Happily! I keep few books near me all the time, especially on my night table. This is one of them. **Get this book. I cannot praise this book enough**.

The BEST book that I have read in the last 5 years, possibly, in the last 10!

I read this book in a little over a day.

The current best book (in the last 10 years) to bring together the apparitions of Jesus and Mary in the last century. The author does an excellent job in bringing modern apparitions together to explain our current situation. Bringing the Two Hearts of Jesus and Mary together will put an end to satan's reign.
