

Introduction

Many people have stated and believe that there is more than one way to accomplish anything in life, and they see various ways to accomplish their goals and objectives. That may be true for many things that are carnal or secular; but we all have a spiritual side and must know and recognize this. Yet, many people keep fighting their spiritual leanings in favor of walking in the flesh and after the flesh. But our warfare is not carnal, and we are now in these latter days in the midst of a spiritual war. I am convinced that it is Only The One True Most High God that can get us safely through these perilous days to come. There is Only One Way for us to get there as so eloquently stated in St. John 14:6. But too many people are still trying to do it their way and are stuck on the bottom of the mud pile wallowing in disillusionment.

We have all seen people keep doing things their way and everyone just says, well that's just her or him, and that's how they've always done it. But the critical question should be asked, is it scriptural and God's way? Many people have been doing things their way so long because of the traditions of men (Colossians 2:8) and following the commandments of men (St. Mark 7:7). But we are told what we should be doing in St. Matthew 7:7 and we only have to ask, seek and knock. We must put on the new man and leave the old man behind, and get a renewed spirit of the mind (Ephesians 4:23-24).

People are destroyed for lack of knowledge (Hosea 4:6, Proverbs 13:20) therefore, you must choose your companions wisely. Be partakers of the light and not darkness, and don't become unequally yoked (II Corinthians (6:14-18). We should not judge any man but we should all be able to discern the righteous from the

wicked, from him that serveth God from him that serveth him not, as stated in Malachi 3:18. I believe that the workers of iniquity will be destroyed (Psalm 5:5, 7:11, 145:20).

I believe that the Scriptures-Holy Bible is true, and that holy men spoke as they were moved by God and that all scripture is given by inspiration of God (II Peter 1:21, II Timothy 3:16). Who? But the One True Most High God could have foretold us over 2,000 years ago exactly what would happen here in this last generation-fig tree generation in these latter days. We know we are in the fig tree generation and we know what half and what quarter we are in! We were told what would happen to the land and countries we reside in today. We know what land is the king of the south and why he will continue to push on as foretold in the Book of Daniel. We know we have been foretold exactly what will happen here in our fig tree generation.

How could man have foretold our future so accurately so many millenniums ago? We have been foretold all things as stated in St. Mark 13:23. I know that I must put on the Whole Armour of God and Be a Doer of The Word in order to make it safely through these perilous times here in these latter days. Let us Hearken!

Hearken, before it's too late. There is someone calling for your Attention, Commitment and Time. And you will listen, stand up and proceed in a righteous and holy manner. You will ACT and put on the new man with a new mindset. You have heard the call, just answer the call! Your Attention, Commitment and Time is needed.

Attention – Your Attention is needed

Commitment – Your Commitment is needed

Time – Your Time is needed

Listen, let us get to the Conclusion of the whole matter
and Do our duty; for There really is Only One Way
(Ecclesiastes 12:13, St. John 14:6).

I am a servant of the One True Most High God.
